What is the purpose of this form? The Board of Directors of El Parque have authorized this form to insure the security of the residents. If a realtor, worker, delivery man, or someone who says he is a renter, reports to the gate after 5:00 PM, he will be denied entry unless this form has been given to the guards in advance.

The first time a renter appears at the gate he will be sent to the office to register. Once registered the renter will not need this form to gain entry after 5:00 PM.
